Obadiah

Obadiah, about the people of **me** This is a message that Yahweh our God gave to¹ 1
:Edom. Yahweh our God has said this to us
„I have sent a messenger to other nations“
Now Yahweh says this to the people² ”.telling them to prepare to go and attack Edom
:of Edom
Listen to me—I will soon cause you to become the weakest“
.**on the earth** and most despised nation
„Your capital city is high in the rocky cliffs³
and you are very proud
.You think that you are safe there—that no army can conquer you
But you have deceived yourselves
Even if you could live where eagles live or even higher than that, among the stars⁴
you would still not be safe there from the attackers that I am sending to you. I
to you Yahweh, declare this
When thieves break into someone’s house during the night and rob them⁵
they certainly steal only the things that they want
And people who pick grapes always leave a few grapes on the vines
!attackers will destroy your country completely ,**unlike them** ,But
Descendants of Esau, these attackers will completely take away everything that you⁶
own
the valuable things that you have hidden **and take away** They will even find
All your allies will turn against you, and they will force you to leave your country⁷
Those with whom you have peace now will trick you and defeat you
Those who eat meals with you now are planning to trap you
You people of Edom do not understand any of this
I, Yahweh, declare that at that time⁸
wise men. No one living in those cliffs **famous** Edom’s **even** I will certainly destroy
will know what to do any more
The soldiers in the army of Edom will become terrified⁹

Then when your army stops fighting, the attackers will completely destroy all you
 ”.people who live in the land of Edom
 you acted cruelly to your relatives who are **All of this will happen because**“¹⁰
.the twin brother of your ancestor Esau ,descendants of Jacob
 So now everyone will be ashamed of you, and the attackers will destroy you
 .forever

At the time when strangers carried away the Israelite’s wealth, you did nothing to¹¹
 .help them

Foreigners conquered all the cities of Judah, and they even took whatever they
 .wanted from Jerusalem
.because you did nothing to help ,And you were just as bad as those foreigners

.You should not have gloated about the disaster that the Israelites were experiencing¹²
 .You should not have been happy when their towns were ruined
 .You should not have made fun of them when they were suffering

They are my people, so you should not have entered their city gates when they were¹³
 .experiencing this terrible disaster
 .Yes, you! You should not have enjoyed watching them suffer
 .You women should not have taken away their valuable possessions

You should not have stood at the crossroads to kill some of the Israelites who were¹⁴
 .trying to escape
and turned them You should not have captured others of them who had survived
 ”.when they were experiencing those disasters **over to their enemies**

,because the time is coming soon when I ,**You should have helped the Israelites**“¹⁵
 .Yahweh, will judge and punish all the nations
 .that you did to others **people of Edom** I will do the same things to you
 .things that you did to others will happen to you **evil** The same

,The people of Edom should not have done these evil things to you, people of Israel¹⁶
 ,because in the way that you suffered in Jerusalem, the hill where my holy temple is
 .in that same way I will continue to punish all the other nations
 .I will punish them severely and make them disappear completely

,But some people in Jerusalem will survive¹⁷
 .and Jerusalem will become a holy place
 .Then the Israelites will once again occupy the land that belongs to them

The people of Israel will be like a fire, and the people of Edom will be like dry¹⁸
 .grass

.They will destroy the people of Edom, just as fire completely burns up dry grass
 .None of the descendants of Edom will survive
 ”.This will certainly happen because I, Yahweh, have said it will happen
 The Israelites who live in the southern wilderness of Judea will capture the land of¹⁹
 .Edom
 .The Israelites who live in the western foothills will capture the region of Phoenicia
 Ephraim and **the tribe of** The Israelites will also capture the areas that belonged to
 .**to the north** Samaria **the city of** that surrounded
 .The people of the tribe of Benjamin will capture the region east of the Jordan River
 Israel were captured and taken **the kingdom of** A great number of the people from²⁰
 they **But they will return, and** .away from their homes. They lived in the land of Canaan
 .as Zarephath **north** will capture and occupy that land as far
 Many of the people were captured and taken away from Jerusalem. They now live
